Southborough Town Council– Press Release

9th March 2021

Southborough Hub Development Naming

Introducing the Southborough Civic Centre

At an Extraordinary Full Council Meeting on 8th March 2021, Council Members reviewed a shortlist of names for the new community building, hall, and meeting rooms.

Council Members agreed on the following names:

Main Building, formerly The Hub whilst in development: Southborough Civic Centre

Main Hall: Unity Hall

Community Room 1: The Bounds Oak Room

Community Room 2: The Lambersart Room

Community Room 3: The Brickworks Room

Southborough Town Council would like to thank everyone who took the time to submit names and were overwhelmed by the response. It was hard to choose from the all the suggestions put forward.

Council Members want the new Southborough Civic Centre to be a community hub that brings us all together, selecting names that reflect a sense of the local history and hopes for the future.

We will post further updates as to when the building will be officially open to the community.

A new council website is currently under development and will be launched soon:

www.southborough-tc.gov.uk

Further details about the new Southborough Civic Centre will be posted on the new site in due course. We have posted details of the naming on our social media channels.
