"The Royal Victoria Hall is at last ready to open its doors.

For morths past we have watched its erection with feelings of considerable currouty, and now that it is finished these feelings have turned to wondermers. A glance at the somewhat austere looking building gives no idea of the really be suitiful and costly work which the Hall contains, it is a marvel of neutress, comfort, and, we almost said, elegance. Objection has in some quarters been taken to the word theatre, but anyone who views Southborough's new building cannot fail to be of the opinion that a nicer little theatre it would be impossible to find. There is not a thing warting.

not a single item has been overlooked, the stage is made on the latest and most approved principles, the scenery and furniture would do credit to a building thrice as large, whilst the general arrangement of the whole place is calculated to give every satisfaction."

After considerable protest and a petition of over

10,000 signatures to save it Southborough Town Council took the decision to close the Royal Victoria Hall on 52: January 2015 and it was demolished in 2017.

### **Southborough Town Council**

### **Finance and General Purposes**

#### 23 November 2023

### **Investment Proposal**

### Summary

This report relates to the investment of council funds.

### **FOR INFORMATION**

Council Members will be aware that the Council currently holds its investment funds with the CCLA. The Council recently received its payment from an easement over common land the amount being £125,000.00. Officers are suggesting investing £75,000.00 with the CCLA at this current time. You will see attached the recent investment rates supplied by Lloyds Bank which would be an alternative option.

It is suggested that some monies are withheld at this time due to the various committed works that are currently being carried out (see supporting paperwork). This will stop the constant movement of funds between investments and business accounts. Risks on the business account are considered low due to the two signatory authorisation using any transaction method with Lloyd's banking which gives some surety surrounding fraud.

**RECOMMENDED** — Members to discuss the information and decide how they wish to proceed and instruct the Finance Officer accordingly.

FINANCE OFFICER.

\*Gross Rate – Gross Rate means that no tax will be automatically deducted from interest on your behalf. You are responsible for paying any tax due to HM Revenue and Customs. Please note that the duration of your deposit will affect the amount of interest that you are paid.

\*\*AER – The AER stands for Annual Equivalent Rate and is the notional rate which illustrates the gross rate as if paid and compounded on an annual basis. As every advert for a savings product will contain an AER you will be able to compare more easily what return you can expect from your savings over time.

The interest rates stated are available from 3rd November 2023 and expire on 14th December 2023. Lloyds Bank maintains the right to withdraw rates at our discretion during the offer period.

### Information about the accounts

- The interest rates for the Instant Access Account and 32 & 95 Day Notice Accounts are managed rates set by Lloyds Bank and subject to change. If the rate changes, and it is not to your advantage, Lloyds Bank will provide you notice in line with the product Terms & Conditions.
- The minimum balance for the Instant Access Account is £1 up to a maximum balance of £5,000,000. Term Deposits and 32 & 95 Day Notice Accounts minimum is £10.000 up to a maximum balance of

£50,000,000 - larger amounts may be available, subject to our discretion.

- The interest accrued on our Term Deposits is paid on maturity, unless the Term Deposit has a term of more than one year, in which case, accrued interest is paid annually and any remaining interest is paid at maturity.
- You must hold the Fixed Term Deposit (FTD) until the Maturity Date and you may not withdraw all or part of the Deposit prior to the Maturity Date.
